

Lubricants

**MADE IN SAUDI ARABIA**

Since 1960

# Product Guide

# INTRODUCTION

**APSCO** is the sole blender and marketer of International quality lubricants in the Kingdom of Saudi Arabia. In order to cover the incremental market needs from its high quality products APSCO is continuously investing in its lube oil blending plant to maintain its unique high standard productivity.

We believe on maintaining our good reputation, which we have gained as a result of our strong commitment to provide high quality services and products and our keen efforts to maintain customer satisfaction and highest technical standards.

**APSCO** Lubricants product line offers a wide range of products that covers the majority of consumers base.

## **The products line is classified into:**

- **Passenger Vehicle Lubricants:** targeting motorists and vehicles powered by gasoline and diesel engines.
- **Commercial Vehicle Lubricants:** dedicated for vehicles powered by diesel engines whether working on- highway or off-highway.
- **Industrial Lubricants:** covers the needs of different industrial applications as well as **Marine applications.**

**APSCO** Blending plant was built in 1997 at Jeddah Industrial city phase V in Saudi Arabia at total area of 41,000 m<sup>2</sup> to produce different type of lubrication oils with total capacity of 55,000 MT per shift per year. The brands produced by APSCO LOBP meets and exceed consistently the standard specifications.

**APSCO** Blending plant has its own laboratory that is completely equipped with the most modern instruments and equipment. which is capable of analyzing lubes to extremely fine and unimaginable precision while generating accurate details in order to control and determine the qualitative aspects.

## APSCO GASOLINE ENGINE OILS

### **APSCO UltraSuperSyn Fully Synthetic Gasoline Engine Oil 0W-40 API SN ACEA A3/B4**

#### **APPLICATION:**

High quality engine oil prepared from unique synthetic base oils (PAO). Combination with the superior quality additives gives dynamic performance that sustain the life for longer times than conventional products.

Can be used in new generation & older engines requiring 0W-40 API SN & SM.

### **APSCO SuperSyn Advanced Fully Synthetic Gasoline Engine Oil 5W-30**

**API SN, ACEA A5/B5-12,C2-16, C3-16**

#### **APPLICATIONS:**

Recommended for all types of new generation vehicles, especially high performance turbo-charged, supercharged gasoline and diesel multi-valve fuel injected engines found in passenger cars SUVs, light vans and trucks. Meets requirements of Dexos 2 and many other OEMs.

### **APSCO Xtra SuperSyn Fully Synthetic Gasoline Engine Oil 5W-40 API SN ACEA A3/B4**

#### **APPLICATIONS:**

Recommended for all types of modern vehicles, especially high-performance turbo-charged, supercharged gasoline multi-valve fuel injected engines found in passenger cars SUVs, light vans where 5W-40 API SN, SM&SL is recommended.

## APSCO GASOLINE ENGINE OILS

### **APSCO Super Power Gasoline Engine Oil 10W-40 API SN /CH-4**

#### **APPLICATIONS:**

High quality semi synthetic engine oil produced from selected base stocks & additives to give optimum performance and extended drain interval. Suitable for gasoline & diesel engines where API SN,SM,SL & CH-4 are recommended.

### **APSCO Super Power Gasoline Engine Oil 10W-30 API SL**

#### **APPLICATIONS:**

Recommended for gasoline passenger and commercial vehicles of every type, turbo charged or naturally aspirated. It can also be used for engines where API Service Category SL and earlier categories are recommended.

### **APSCO Super Power Gasoline Engine Oil 20W-50 API SL, JASO MA**

#### **APPLICATIONS:**

Recommended for gasoline vehicles of every type, turbo charged or naturally aspirated, which require API SL & SJ Service quality oil.

Suitable for 4-stroke motor cycle engines also where JASO MA is recommended.

### **APSCO Super Power Gasoline Engine Oil 20W-50 API SF**

#### **APPLICATIONS:**

Recommended for gasoline & diesel engine oils turbo charged or naturally aspirated, which require API SF Service quality oil.

## APSCO GASOLINE ENGINE OILS

### APSCO SuperPower HD-50 API SF/CF

#### APPLICATION:

Recommended for gasoline & diesel engine oils turbo charged or naturally aspirated, which require API SF& CF Service quality oil.

## APSCO DIESEL ENGINE OILS

### APSCO MaxPower Diesel Engine Oil

#### 70/50/40 API CF/SF

#### APPLICATIONS:

APSCO MAX POWER Diesel 70,50 and 40 mono grade engine oils are recommended for automotive diesel engines in trucks, vans, pick-ups and buses as well as in stationary engines where API Services Category CF is required. These oils are recommended to be used with Automotive Gasoline Engines requiring API SF Service level.

### APSCO MaxPower Diesel Engine Oil 15W-40 API CF-4

#### APPLICATIONS:

APSCO MAX POWER Diesel Engine Oil 15W40 API CF-4 is specially designed for heavy duty diesel vehicles and passengers cars. It has long drain capability and It is recommended for both on-highway and off-highway vehicles fitted with new engines for low emissions and old engines of conventional design fuelled by low and high sulfur diesel fuels.

## APSCO DIESEL ENGINE OILS

### **APSCO MAXPOWER Diesel Engine Oil 15W-40 API CH-4/SJ**

#### **APPLICATIONS:**

APSCO Max Power Diesel Engine Oil 15W40 API CH-4 is specially designed for heavy-duty diesel vehicles and passenger cars. It has long drain capability and is recommended for both on-highway and off-highway vehicles fitted with new engines for low emissions and old engines of conventional design fuelled by low and high sulfur diesel fuels.

### **APSCO MAXPOWER Diesel Engine Oil 20W-50 API CH-4**

#### **APPLICATIONS:**

APSCO Max Power Diesel Engine Oil 20W-50 API CH-4 is specially designed for heavy-duty diesel vehicles and passenger cars. It has long drain capability and is recommended for both on-highway and off-highway vehicles fitted with new engines for low emissions and old engines of conventional design fuelled by low and high sulfur diesel fuels.

### **APSCO MAXPOWER Diesel Engine Oil 15W-40 API CI-4/SL**

#### **APPLICATIONS:**

- Naturally aspirated and turbo charged high speed, four stroke diesel engines
- All automotive diesel engines and high speed diesel engines equipped with **EGR**
- Commercial road transport in light, medium and heavy-duty service, and off-highway vehicles.
- All commercial and earth-moving Equipments.

Meets requirement of MB228.3, VOLVO VDS3, Cat ECF-2

## APSCO DIESEL ENGINE OILS

### **APSCO MaxPower Synthetic Diesel Engine Oil EHP 10W-40 API CJ-4**

#### **APPLICATIONS:**

Synthetic extra high performance diesel engine oil engineered to provide high lubrication to modern, high performance, low emission engines used in severe applications.

Recommended where **API CJ-4, CI4 Plus/CI-4, JASO DH-2, ACEA E9/7/6/4** is required.

## AUTOMATIC TRANSMISSION FLUID

### **APSCO ATF DEXRON II**

High performance, multifunctional fluid designed to meet the requirements of Dexron II & Allison C4 specifications.

APSCO ATF DEXRON II is formulated to meet the automatic transmission fluid requirements of modern vehicles which require Dexron II D type fluid. Also meets the hydraulic fluid requirements of certain industrial and mobile equipment.

### **APSCO ATF DEXRON III**

High performance, multifunctional fluid designed to meet the requirements of Dexron III & Allison C4 specifications.

APSCO ATF DEXRON III is formulated to meet the automatic transmission fluid requirements of modern vehicles which require Dexron III D type fluid. Also meets the hydraulic fluid requirements of certain industrial and mobile equipment.

## APSCO BRAKE FLUID

### APSCO Brake Fluid DOT 4

APSCO Brake Fluid DOT 4 formulated as non-petroleum chemical fluids for use in hydraulic brake and clutch systems of automobile vehicles.

It is suitable for all hydraulic brake and clutch disc and drum systems where such type of fluid specified. It does not affect natural or synthetic rubber seal materials generally used.

meets and exceeds the following:

#### Industry Specifications:

- FMVSS 116
- SAE J1703
- ISO 4925 Class6

## GREASES

### APSCO Grease MP Lithium

Based Multi-purpose grease.

### APSCO Grease EP 0,1,2,3

High performance , Extreme pressure.

## APSCO GEAR OILS

### **APSCO GEAR OILS SAE 90, SAE140 API GL-4**

APSCO Gear Oil SAE 90 & 140 API GL-4 are high-quality lubricant blended from solvent-refined mineral base oils and selected chemical additives.

Recommended for the type of service characteristics of gears, particularly hypoid, in passenger cars and other automotive-type equipment operated under the high-speed/low torque and low-speed/high torque conditions.

### **APSCO Gear Oil SAE 80W-90 API GL-4**

APSCO Gear Oil 80W90 API GL-4 is high quality lubricant blended from solvent refined base oils & advanced additive system.

Recommended for the service of hypoid gear units of passenger cars, on highway light & heavy duty trucks & commercial vehicles for manual transmission, axle and final drives requiring API GL-4 performance.

### **APSCO Gear Oils SAE 80W-90, 85W-140, 85W-90 API GL-5**

APSCO Gear Oil API GL-5 series is heavy-duty extreme pressure multi grade gear oil, developed to meet the most severe service requirements of manual transmissions in automotive vehicles.

Recommended for use in hypoid gear units of passenger cars and other automotive gear units operated under high-speed/low torque conditions.

## INDUSTRIAL OILS

- **APSCO GEAR LUBRICANTS ISO VG**
- **68/100/150/220/320/460**
- **APSCO HYDRAULIC ISO 32/37/46/68/100/150**
- **APSCO Circulating Oil 150/220/320/460**
- **APSCO Compressor Oil 32/46/68/100**
- **APSCO Therm Oil/Heat Transfer Oil**
- **APSCO Turbine Oil 32/46/68/100**
- **APSCO Transformer Oil**
- **Hydraulic Oil 10W**

## MARINE OILS

- **Marine System Oil 30**
- **Marine Oil 50**
- **Marine Diesel Engine Oils**
- **Marine Oil 30 TBN Series**
- **Marine Oil 40 TBN Series**
- **Marine Cylinder Oils**

زيت محركات أبسكو سوبرسن  
سلسلة SuperSyn للجيل الجديد من السيارات  
” قيادة أطول بسلام ”

APSCO Super Synthetic Oils  
SuperSyn series for new generation cars.  
” Drive longer peacefully ”
